

Family Bible Reading Plan

Here is a Bible reading plan to guide families with a broad overview of Scripture including many well-known passages and stories.

- The plan provides five readings each week averaging approximately 20 verses each day.
- This allows readers to catch up quickly if you miss a few days.
- The readings in this plan are presented in chronological (timeline) order.

For the word of God is living and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart. – Hebrews 4:12

Jesus said, "If you hold to my teaching, you are really my disciples. Then you will know the truth, and the truth will set you free." – John 8:31-32

Tips for Family Bible Reading

- + Give opportunity for all to participate
- + Discuss the meaning of what you have read
- + Pray before you read together for personal application
- + Pray afterwards: Personal praise, confession, petition and prayer for family, friends, leadership, missions and the weak, poor or sick
